Habits of Mind

Clarity and Precision Circle

Overview: Communicating with Clarity and Precision involves striving for accurate communication in both written and oral form, avoiding over generalizations, distortions, deletions and exaggerations.

Round 1: How are you doing today?

Round 2: What support might you need from the class today?

Round 3: How might you support another classmate with their needs today?

Round 4: Why is it important to express our feelings and needs clearly and accurately to one another?

Round 5: How do you feel about today's circle?

Habits of Mind

Data Through All Senses Circle

Overview: Gathering data through all senses involves paying attention to the surrounding world through all senses including taste, touch, smell, hearing, and sight.

Round 1: How are you doing today?

Round 2: As a class, what things have you been hearing that embody kindness, integrity, and/or respect?

Round 3: As a class, what things have you been seeing that embody kindness, integrity, and/or respect?

Round 4: As a class, what actions have you seen that embody kindness, integrity, or respect?

Round 5: How do you feel about today's circle?
