

There are amazing and beautiful things in our world. Ask your teacher about watching the Wonder Grove Responding with Wonderment and Awe video to see what my friends are wondering about today.

Dee

I really want the part of the princess in the school play. Ask your teacher about watching the Wonder Grove Taking Responsible Risks video to find out if I decide to try out for the play.

**Maria**

I was feeling sad about losing my soccer game. Ask your teacher about watching the Wonder Grove Listening with Understanding and Empathy video to find out how my friends helped me.

**PETER**

Wonder Grove Kids

I wanted to sit in the red chair,  
but Maria sat in it. Ask your  
teacher about watching the  
Wonder Grove Managing  
Impulsivity video to find out how I  
solved my problem.

**Chris**

Hi! I'm Marcus. I am learning about Habits of Mind, just like you! If you'd like to know more about my friends and me, ask your teacher to show you the Wonder Grove videos that introduce each one of us. I am looking forward to learning with you!

Habits of Mind			
<p><b>Managing Impulsivity</b></p> <p><b>Take your time!</b></p> <p>Thinking before acting, pausing when thoughtful and deliberate.</p>	<p><b>Listening with Understanding and Empathy</b></p> <p><b>Understand others!</b></p> <p>Seeking to understand by listening, pausing and asking thoughtful questions in order to gain a better understanding.</p>	<p><b>Responding with Wonderment and Awe</b></p> <p><b>Have fun figuring it out!</b></p> <p>Feeling the awe, excitement, wonder and being intrigued and motivated by learning.</p>	<p><b>Taking Responsible Risks</b></p> <p><b> venture out!</b></p> <p>Being adventurous, trying or thinking of new experiences.</p>
<p><b>Thinking Flexibly</b></p> <p><b>Look at it another way!</b></p> <p>Being able to change perspective, generate alternative and creative options.</p>	<p><b>Remaining Open to Continuous Learning</b></p> <p><b>I have so much more to learn!</b></p> <p>Being ready and willing to continue to learn, seeking opportunities.</p>	<p><b>Applying Past Knowledge to New Situations</b></p> <p><b>Use what you learn!</b></p> <p>Applying prior knowledge and experiences toward the situation to which it can be used.</p>	<p><b>Persisting</b></p> <p><b>Stick to it!</b></p> <p>Persevering in the face of challenges, staying focused.</p>
<p><b>Gathering Data Through All Senses</b></p> <p><b>Use your natural pathways!</b></p> <p>Seeking to understand through all senses, gathering information, asking thoughtful questions and using all senses.</p>	<p><b>Thinking Interdependently</b></p> <p><b>Work together!</b></p> <p>Being able to work with others in thoughtful ways.</p>	<p><b>Creating, Imagining and Innovating</b></p> <p><b>Try a different way!</b></p> <p>Generating ideas, using imagination, being creative and innovative.</p>	<p><b>Questioning and Posing Problems</b></p> <p><b>How do you know?</b></p> <p>Seeking to understand through all senses, gathering information, asking thoughtful questions and using all senses.</p>
<p><b>Thinking about your Thinking – metacognition</b></p> <p><b>Know your knowledge!</b></p> <p>Being aware of what you know, understand, learn and when and how others do others.</p>	<p><b>Striving for Accuracy</b></p> <p><b>Check it again!</b></p> <p>A desire to improve, being and continuing to learn.</p>	<p><b>Thinking and Communicating with Clarity and Precision</b></p> <p><b>Be clear!</b></p> <p>Seeking to clearly communicate in both written and oral form, using precise, descriptive and specific.</p>	<p><b>Finding Humour</b></p> <p><b>Laugh a little!</b></p> <p>Being able to understand, appreciate and communicate being able to laugh at yourself.</p>
