

How Are We Doing? Checklist – By Eva Frank

Habit of Mind: Persistence	Often	Some-times	Not Yet
Do I complete the task to completion?			
Do I analyze the problem from various angles before getting started?			
Do I develop a detailed plan or strategy to attack a problem or complete a task?			
If a method or strategy does not work do I think and find an alternate route towards achieving the task?			
Do I have available resources to find more strategies to problem solve if alternate strategies are necessary?
